

# TECHNICIAN side

SCENE 232:

EXISTING:

**START**

DIRECTOR  
What the hell am I looking  
at?!

PRODUCER  
Is it fake?! Is it AI?!

\*

TECHNICIAN  
Discriminator says no! These are  
ground truth pixels!

**ADDITIONAL TO CONTINUE:**

DIRECTOR  
Is that a go? Do I have a go?!

PRODUCER  
Hang on, hang on, what is ground  
truth, how do we know it's legit?!

DIRECTOR  
Am I sending this out or not?

PRODUCER  
Wait, just wait, we gotta -- where  
did this footage come from?!

TECHNICIAN  
Half of it says U.S. Air Force!

PRODUCER  
How do we confirm that?!

DIRECTOR  
(into headset)  
John -- fill air! Nobody knows  
what we're looking at up here!

PRODUCER  
Get the Pentagon press office on  
the phone!

DIRECTOR  
We don't have time for that!

PRODUCER  
I'm not making a move without a go-  
ahead from upstairs!

**END**
